GREAT NECK BASEBALL LEAGUE

Communications Plan

BOARD UPDATE July 2026

GNBL BOARD UPDATE

Brand, Social & Content Foundation

Building consistent presence across channels

SOCIAL MEDIA CONSOLIDATION

- Merge Facebook and Instagram into one unified GNBL account.
- Pursue a Facebook Business account to unlock Meta's 501(c)(3) nonprofit ad credits for free promotion.

Owner: Doug Foley • **Target:** 30 days

BRAND & MESSAGING REFRESH

- Refresh positioning to reflect who GNBL is, how it serves the community, and what each program offers.
- Messaging and mission-level only — not a visual rebrand or logo change.

Next step — full proposal at next board meeting

CONTENT CALENDAR & FUNDRAISING ALIGNMENT

- Build a forward-looking content calendar covering organic posts and paid promotions.
- Use calendar visibility to strengthen sponsor conversations and fundraising asks.

Deliverable — full communications plan to follow

GNBL BOARD UPDATE

Digital Presence & Tridents Consolidation

Stronger infrastructure, one consistent voice

WEBSITE REBUILD

- Full rebuild of the GNBL website for a stronger, more current brand presence.
- Feeds directly into registration and other systems for a connected experience.

TRIDENTS: ONE UNIFIED PLATFORM

- One centrally managed Facebook and Instagram account — not separate pages by age group or team.
- Protects consistent branding and keeps fundraising, donations, and tax receipts flowing correctly.
- Exploring tools to streamline post requests; for now, text for urgent posts since email can miss the window.

SHOPIFY STORE & BRANDED MERCH

A partner is proposing to build a GNBL Shopify store, including branded apparel across programs (including the Tridents). Update expected within the next month.
